

Tips for Getting to Toronto Ribfest 2019

Location:

Toronto Ribfest is located in Centennial Park. The address is 256 Centennial Road. Please **go directly to the Volunteer Centre.**

To get to the Volunteer Centre walk north on Centennial Park Road, which runs along the East side of the park. Watch for signs to the Centre. You may be asked for evidence that you are a volunteer, so we recommend you print off your schedule and bring it with you.

Transportation:

Parking is limited. We *strongly* encourage you to get dropped off, take TTC or carpool.

Volunteer Parking and Drop Off: New!

Enter the park via Centennial Park Road. This runs off Rathburn just West of Renforth. Follow signs and volunteer direction to the Volunteer Parking and Drop Off which will be located just south of the Arena.

Once out of your car, **walk out of the parking lot** and return to Centennial Park Road. Turn left and follow the signs to the Volunteer Center. **Do not enter the event through the main entry gates as there is no direct access to the Volunteer Center.**

For pick up at the end of shifts, please return to the same location.

By TTC: The closest intersections for planning TTC travel are Rathburn and Renforth and Eglinton and Renforth.

From the corner of Rathburn and Renforth, walk West along Rathburn. Just before Seneca School you will come to Centennial Park Road. Walk North and watch for signage to the Volunteer Center.

From Eglinton and Renforth, walk South on Renforth just past Hollycrest Middle School, then turn right and cut through the school parking lot and field to reach Centennial Park Road. Turn right and watch for signage to the Volunteer Center.

By Taxi/Uber: Taxi's and Ubers entering the grounds will be directed to the Volunteer Drop off Area.

Evening Shifts: At the end of the evening shift we can make arrangements for those who wish to be accompanied to their pick up spot, to their bus stop or to their parked car. *Requests should be made at the Volunteer Centre when registering.*
